

Enclo**INOX**®

Engineered Stainless Steel Enclosures

**Enclosing Possibilities.
Defining Durability.**

Why EncloINOX?

Built from **SS 304/316L** with superior corrosion resistance, our encloINOX series is designed for the most demanding environments—**pharmaceuticals, food processing, offshore platforms, and cleanrooms**. These IP-rated enclosures offer unmatched protection and finish.

CERTIFICATIONS

- IP66 Compliant
- Design as per IEC 62208 & Complies with 61439
- ISO 9001:2015 Certified Facility
- RoHS-compliant Materials
- NEMA-4 Equivalent

PRODUCT HIGHLIGHTS

IP66 - Welded Wall Mounting Boxes

- Fully welded body
- SS 304/316L construction
- Bottom gland plate
- Ideal for hygienic & washdown zones

IP55 - Riveted Wall Mounting Boxes

- Suitable for OEM and machine panels
- Riveted top plate, front door access
- Space-saving and economical

SBD-NX Floor Standing Enclosures

- SBD-NX Floor Standing Enclosures
- Modular and accessory-friendly
- Double doors for wider access

FS Series Enclosures (SS)

- Combines riveted flexibility with welded strength
- Configurable for automation and industrial control

Optional Accessories

- Axial Fans
- Cable Brackets
- Limit Switches, and more.
- Grill Filters
- Tube Light Brackets

KEY FEATURES

- Hygienic Design for Cleanroom Applications
- Corrosion-Resistant Stainless-Steel (SS 304/316L)
- Precision Welds for Leak-Proof Protection
- Weatherproof, Dustproof & Washdown Ready
- Range of Sizes, Depths, and Custom Mounting Options
- Brush Finish for Enhanced Aesthetics & Easy Cleaning
- 3D Renders and Custom Drawings on Request

WHY BARTAKKE?

Partner with Precision. Manufacture with Confidence.

With decades of experience in electrical enclosure design, **Bartakke Electrofab** is a name trusted across mission-critical industries.

- ISO 9001:2015 Certified
- CE Marked Products
- CSA (ATEX/IECEX) Certified for Explosive Zones
- Design Supply & Engineering
- Engineering Drawings + 3D Models
- On-Time Delivery

Need a custom enclosure?

We'll design it, build it, and support you all the way.
